CORE Questionnaire

Big Lottery Fund Evaluation

We would like to invite you to participate in an evaluation project. We want to know if the Big Lottery Fund has helped people improve their well-being. Your answers will help us to find out.

You do not have to answer the questions if you do not want to. If you cannot answer a question just leave it, and go on to the next question.

We would like to assure you that your responses will remain confidential. If you have any questions about the questionnaire, please ask a project worker or anyone else. Thank you!

Before we begin, a few administrative questions:

Is this questionnaire being completed:

- At the start of the project/service?
- During the project/service?
- On completion of the project/service?
- At least *three months* after the end of the project/service?

If so, please indicate when involvement ended: / /

When did you first become involved in this activity/start using the service?

/ / (provide a rough date if you are not certain)

Today's date: / /

Please tick one of the below:

- I am filling in the questionnaire about myself
- I am a project worker or carer reading out the questions to the participant and filling in their responses.
- I am a carer/guardian completing the questionnaire on behalf of someone else (some questions in Section B may be difficult to answer; please just complete as many as you can)

SECTION A

Firstly, we would like to ask some questions on your eating habits:

1) On average how many portions of FRUIT do you eat a day?

(examples include a handful of grapes, an orange, apple or banana, a glass of fruit juice, or a handful of dried fruits)

per day on average

2) And how many portions of VEGETABLES do you eat a day?

(one portion is a side salad, or 3 heaped tablespoons of vegetables, beans or pulses either raw, cooked, frozen or tinned. Please do not include potatoes)

per day on average

3) In a normal week, how often do you eat a meal that has been prepared and cooked from basic ingredients, either by yourself or someone else? For example Shepherd's Pie made starting with raw mince and potatoes? (please circle one answer only)

Next we are interested in physical activity:

These questions are about the time you spent being physically active in **the last 7 days**. Please answer each question even if you do not consider yourself to be an active person. Think about the activities you do at school, at home, or, in the garden to get from place to place and in your spare time for recreation, exercise or sport.

First, think about all the **vigorous** activities that you did in the **last 7 days**. Vigorous physical activities are those that take hard physical effort and make you breathe much harder than normal. Think only about those physical activities that you did for at least 10 minutes at a time.

5) During the last 7 days, on how many days did you do vigorous physical activities:

days per week

No vigorous physical activities (*if you tick this box, skip to question 7*)

6) How much time did you usually spend doing vigorous physical activities on one of those days? (please circle one answer only)

less than 20 minutes	more than 20, but less than 30 minutes	more than 30, but less than 40 minutes	more than 40 minutes, but less than an hour	over an hour (please write in): <input type="text"/>
----------------------	--	--	---	--

Next, think about all the **moderate** activities that you did in the **last 7 days**. Moderate activities are those that take moderate physical effort and make you breathe somewhat harder than normal. Think only about those physical activities that you did for at least 10 minutes at a time.

7) During the last 7 days, on how many days did you do moderate physical activities:

days per week

No moderate physical activities (*if you tick this box, skip to question 9*)

8) How much time did you usually spend doing moderate physical activities on one of those days? (please circle one answer only)

less than 20 minutes	more than 20, but less than 30 minutes	more than 30, but less than 40 minutes	more than 40 minutes, but less than an hour	over an hour (please write in): <input type="text"/>
----------------------	--	--	---	--

Now, think about the time you spent **walking** in the **last 7 days**.

9) During the **last 7 days**, on how many did you **walk** for at least 10 minutes at a time:

----------------------	--	--	---	--

Lastly, think about the time you spent **sitting** on weekdays during the **last 7 days**. Include time spent at work, at home, in a car or on public transport, while studying and during leisure time. This may include time spent sitting at a desk, visiting friends, reading, or sitting or lying down to watch television.

11) During the **last 7 days**, how much time did you spend **sitting** on a typical **week day**? (please circle one answer only)

less than 5 hours	between 5 and 8 hours	between 8 and 11 hours	between 11 and 13 hours	over 13 hours
-------------------	-----------------------	------------------------	-------------------------	---------------

12) And in the **past month**, on how many days have you done a total of **30 minutes or more** of physical activity which was enough to raise your breathing rate?

This may include sport, exercise, and brisk walking or cycling for recreation or to get to and from places, but should not include housework or physical activity that may be part of your job.

days

13) Now read the following statements and indicate on the sliding scale the point that best describes your feelings around physical activity (please circle one number only)

I wish I didn't have to do physical activity, but I know it's important for my health	1	2	3	4	5	6	7	As well as being important for my health, physical activity is something I enjoy

SECTION B

We would now like to ask some questions about your recent thoughts and feelings:
